Drive to the Valley of Viñales, perhaps entering to visit **Soroa, or Las Terrazas**. What is impressive is the Valley of Viñales, with its mogotes and tobacco plantations. At night you can go to enjoy the live music in the town of Viñales, very close to the hotel.

**Viñales. Breakfast.** We will go to the **north costa**, to one of the most virgin Keys in the area: **Cayo Jutías**. You can enjoy a beach with crystal clear waters. Eating in the area of the **Cueva de los Peces** is an option. Continue to **Cienfuegos**, to arrive before four. Walk a little through its streets to see everyday life. At the end of the afternoon, it is nice to walk along the **Malecón** cienfueguero seawall, where its inhabitants go out to take the cool of the afternoon, drink some beer or sit down in love couples. If it coincides with some local celebration guaranteed animation in the **Malecón** area. In the afternoon it would be good to go to the **Palacio del Valle** to see the sunset from the terrace.

Day 6

### **Cienfuegos - Trinidad. Private House, Tourist Category, in Trinidad.**

Breakfast. **We will** go to Trinidad, where there are many things to do and see, but above all, at night, visit the staircase, next to the cathedral: live music, people dancing. On the way to Trinidad I suggest you go up into the mountain area and enjoy the natural pools of **El Nicho**.
