Product Description

Day 1

] **BARCELONA - REYKJAVIK**

Hotel Airport Hotel Smari, 3 *** or similar.

Presentation at the Barcelona airport, 2 hours before to take a flight to Reykjavik. Arrival and assistance of our staff. Transfer to the hotel and accommodation.

] REYKJAVIK - CIRCUIT DORADO - HELLA

Hotel Stracta, 3 *** or similar.

Breakfast. At 10 am we will find our guide to visit the so-called "Golden Circuit", which includes the Thingvellir National Park, one of the most important places in the country's history and with an impressive geological zone. The Thingvellir National Park was declared a World Heritage Site by UNESCO in 2004. This area is a rock crack that marks the separation between the continental tectonic plates of Europe and America, at the end of it we will find the "Roca del Rey", where he waved the flag of Iceland, and since 930 he had met Alþingi, the former Icelandic assembly and one of the earliest known parliamentary institutions. Also here is the independence of Iceland in 1944. We will continue our journey to Geysir geothermal zone. Where we will find the Great Geysir, the oldest known and one of the most impressive examples in the world. We will continue our journey that will take us to the Cataracts of Gullfoss. The double and impressive Gullfoss waterfall is one of the most visited natural monuments in Iceland. It is a cascade created by the breakage of the plates that create the Icelandic landscape. An immense broken and broken rock block has created the waterfall when moving. The fault has been drilled and enlarged through the Hvítá river which means white river. . After that, we will head to our hotel in Hella. Dinner and lodging. It is one of the most visited natural monuments in Iceland. ] **HELLA - SOUTH COAST - GLACERA VATNAJÖKULL**

Hotel Fosshotel Glacier Lagoon, 4 **** or similar

Breakfast. We will leave to see the southern coast of Iceland. We will head to the Seljalandsfoss waterfall. This waterfall of 60 meters high has the peculiarity of other waterfalls that we can find in Iceland, it is the possibility of being able to approach it so close that we can see it from the highest part of the waterfall, as from its inside. We will continue to Skogarfoss waterfall to another of the most important waterfalls in Iceland. Located very close to the village of Skógar. The waterfall precipitates from a height of 62 meters and its width is 25 meters. Because there are no buildings or mountains in the vicinity, its vision is impressive. We will continue to the village of Vik and Mirdal, to see its spectacular black beach. After continuing to Svínafellsjökull glacier language. To reach our hotel in Hnappavellir. Dinner and lodging.

] **GLACERA VATNAJÖKULL - COSTA DE L'EST**

Hotel Blafell, (Breiðdalsvík), 3 *** or similar.

Breakfast. Today our route will take us to the east coast where we can enjoy different activities related to the sea. First of all, we will head towards the Jökalsurion glacial lagoon. Jökalsurion is a great glacial lake, located at the edge of

the National Park of Vatnajökull, is the deepest lake in Iceland, and in it have filmed different films such as Panorama to kill, Die another day, Tomb Raider and Batman Begins. Next we will take an amphibious boat ride through the iceberg lagoon. We will continue to explore the spectacular landscape of the eastern fjords to reach the fishing village of Djúpivogur, located near Papey Island and the Berufjörour Fjord. Finishing the food we will go to the village of Breiðdalsvík, where we will take a boat trip through the bay in which we can see the beautiful fjords from the sea, frarets and sometimes seals. We can start the art of fishing with cane and if we are lucky to have dinner with our catch. Dinner and lodging.

Day 5

] NORTH OF ISLNDIA

Hotel Laxa (Myvatn), 3 *** or similar.

Breakfast. We will continue our trip through the fiords towards the north of Iceland. During the tour, we can see the waterfall Ysti Rjúkandi, then go to the most powerful waterfall in Europe Dettifoss. Dettifoss is a waterfall located in the Jökulsárgljúfur National Park, in northeastern Iceland not far from Mývatn. After admiring this phenomenon of nature, we will head to the magical lake of Myvatn and visit the geothermal zone of Hverir and Námaskarð with its fumaroles. Transfer to the hotel. Dinner and lodging.

Day 6

] NORTH OF ISLNDIA AND AKUREYRI

Hotel Icelandair, 3 *** or similar.

After breakfast. We will head to the Jarðbodin lagoon, where we can take a relaxing

bath in its geothermal waters. We will continue to visit the "Godafoss Waterfalls". One of the most impressive in Europe, and the beginning of the highlands. We will continue to Akureyri. In the afternoon we will take the whale watching excursion. Dinner and lodging.

] **AKUREYRI - WEST OF ISLAND - REYKJAVIK**

Hotel City Center Hotel, 3 *** or similar.

Breakfast. Today's route will take us to the town of Glaumbaer where we can see its museum made up of rural wooden houses that taught us rural life in the eighteenth and nineteenth centuries. We will continue towards the Grabók crater, where we will make a stop to get to the base of the crater. Then we will head through the tunnel under the Hvalfjordur Fjord, to reach Reykjavík at 5:30 p.m. Dinner and lodging.

] **REYKJAVIK - BARCELONA**

Breakfast. Free time. At the agreed time transfer to the airport to take the flight to Barcelona.
