Product Description

THE FRENCH OPEN (ROLAND-GARROS)

DATES: **París, May 20 - June 9, 2024]**

The French Open (Roland Garros) it has been played since its inauguration in 1891, under the organization and protection of the French Tennis Federation (FFT). The

French Open is the premier clay court championship in the world and the only Grand Slam tournament currently held on this surface.

The tournament takes place over two and a half weeks. It begins at the end of May in Paris, at the facilities of the Stade Roland Garros complex. The final of the tournament is held on the central court Philippe-Chatrier, which has a capacity of 15,059 spectators. It is recognized first in the aforementioned characteristics in competitions on clay due to its Grand Slam status. It is considered the toughest and most demanding tournament in the world due to the physical and mental demand for the player.

The tennis player who has won the tournament the most times in the men's singles category, with 14, is the Spanish Rafael Nadal. In the women's category, the American Chris Evert was proclaimed champion 7 times. The 2023 men's singles champion was Novak Djokovic. It was his twenty-third major title and the third in the French Open. The 2023 women's singles champion was Iga Świątek. It was her fourth major title and the third in the French Open.
